This recording was originally given away at the beginning of 1925 as a "Christmas gift" to members of the National Gramophonic Society. As such we do not believe it has ever been officially issued for sale, and in the light of this we have carried on the tradition by giving it away as both a high-quality, LAME-encoded MP3 and as a full CD-master quality FLAC lossless download. The recording has been transferred and remastered with the same care and attention given to all of the NGS releases in this series.

Recorded in late 1924, issued as NGS G- (i.e. disc G, side 2)
Transfer made in 2006, XR Restoration in 2008 by Andrew Rose at Pristine Audio

Total duration: 3:39 ©2008 Pristine Audio.
