Ordering Downloads by post, phone or e-mail

Although it's much quicker and easier to order our recordings online, if you wish to avoid PayPal you can also fill out this form and send it to us by scanning the completed form onto your PC and e-mailing the scanned document to us.

You should fill in the form to show catalogue number, title and format (FLAC or MP3) as shown in our catalogue, together with your full card and address details. If you wish to order recordings with **Ambient Stereo** processing or in **24-bit** format please tick the box provided. Downloads are priced by format and duration as shown on our website pages.
